ENROLLMENT FOR SPECIAL COACHING CLASSES (JEE/ NEET) FOR H.S. 2ND YEAR STUDENTS (Academic Session: 2023-24)

This is for the information of the students and parents/ guardians that we have started Coaching Classes for **JEE/ NEET**./ Other such Entrance Tests. We shall conduct the coaching classes for the competitive examinations by the students of premier Medical & Engineering Colleges who themselves have cracked the various Entrance Examinations in recent past. Besides them, faculties of our institution who are well acquainted with **NCERT** syllabus and have vast experience in relevant subject shall be part of this exercise.

This programme is carefully designed keeping in mind the best interest of the students who are not fully aware about approach to competitive examinations and also the relevance of H.S. Course of studies of the Council/ Board with the preparation of Entrance examinations. Initially there will be three periods of 90 minutes duration each on every Saturday which may be extended depending upon the feedback of the students and necessity. The Institution Authority requests the parents/ guardians to encourage their wards to attend the Coaching classes on regular basis.

Once again, we wish to reaffirm that there is no shortcut to success but sincerity, regularity in attending classes and most importantly to learn the +2-level course of studies in totality.

This is an exclusive arrangement for our students and as a special case the programme for the coaching classes is **FREE** from any fees.

Students are to take printout of the attached enrollment form, fill it up duly and submit the same to the College office preferably on or before 06th May, 2023 for attending the Coaching Classes. The intending students are to remain present in the respective classrooms of the section by 11:00 am positively on 6th May 2023 (Saturday).
